

Project Sheet

Project Number: RC09-000062 **Project Name:** SR 23, 57 Passing Lanes Glennville to Reidsville

GDOT ID: 0008289

Project Description: This project would provide for passing lanes between Bubba Kennedy Road and SR 169 and 23.

Regional Commission: Heart of Georgia-Altamaha

County: Tattnall County

Phase	Total Project Cost	Total TIA Amount	Comments (Please note all cost estimates are in 2011 dollars and actual costs for all phases at year of expenditure will be higher):
PE	\$400,000	\$400,000	
ROW	\$1,500,000	\$1,500,000	
CST	\$9,000,000	\$9,000,000	
Total	\$10,900,000	\$10,900,000	

Public Benefit	Notes
Ensuring Safety and Security	This project would benefit the public by potentially reducing the incidence of crashes along this roadway segment, corridor, and/or intersection.
Maximizing the value of Georgia's Assets	This project could potentially maximize the full utility of an existing transportation facility(s). In some cases, bypasses will be necessary. Example benefits could be: mitigating congestion (e.g. operational improvements) and optimizing capital asset management (e.g. resurfacing, rehabilitation). The impacts would apply to this roadway segment, corridor, and/or intersection.

Additional Benefits	This project will improve the existing conditions by relieving congestion between Glennville and Reidsville. The passing lanes will enhance the traffic flow along the route by allowing slower traffic and loaded vehicles to be passed. SR 23/57 provides access to a high school, hospital and several industrial businesses and the area surrounding the corridor would benefit due to increased access and improved connectivity which would have a positive impact on the economic vitality of this region.
