Project Number: RC08-000062 **Project Name:** US 27/Custer Road Interchange Reconstruction/Modification at Fort Benning

GDOT ID: 0011437

Project Description: This project would reconstruct the US 27/Custer Road Interchange.

Regional Commission: River Valley

County: Muscogee County

Phase	Total Project Cost	Total TIA Amount	Comments (Please note all cost estimates are in 2011 dollars and actual costs for all phases at year of expenditure will be higher):
PE	\$1,000,000	\$1,000,000	The property is located within the City of Columbus. The property in question is bounded by US 27 to the south, I-185 to the west, and Cusseta Road to the north and east, which is the western boundary of Fort Benning at this location. Public access to this property is currently restricted by the US ARMY for security reasons. The project will reconstruct the existing interchange to accommodate future growth of Fort Benning due to BRAC and provide permanent public access to the proposed development that will not interfere with Base security.
CST	\$19,000,000	\$19,000,000	
Total	\$20,000,000	\$20,000,000	

Public Benefit	Notes
Ensuring Safety and Security	This project would benefit the public by potentially reducing the incidence of crashes along this roadway segment, corridor, and/or intersection.
Additional Benefits	This project would benefit the traveling public by alleviating the congestion at the main entrance to Fort Benning by providing additional access to the largest activity center in Muscogee County. Additional benefits would potentially decrease the frequency and severity of crash incidents. An additional benefit will be providing a smoother surface for travel, along with optimizing capital asset management.
