The Honorable David Ralston
Speaker of the Georgia House of Representatives
332 State Capitol
Atlanta, Georgia 30334

Dear Speaker Ralston:

I write in the capacity as Chair of the River Valley Region Citizens Review Panel for the Transportation Investment Act ("TIA"). This letter is written in pursuant of OCGA 48-8-251.

Enclosed please find the following documents:

- A list of River Valley Area Active Projects
- The River Valley Area Annual Report—TIA Funds Only; and,
- Copies of the minutes from the three (3) meetings held by the Panel this year (April 24, 2014, September 4, 2014 and December 4, 2014 (in draft form).

Jerry Carney and Anthony Murray have been elected to remain in their respective positions as Chair and Secretary of our Panel.

It should be noted that many projects are underway with tangible benefits being realized. All of the band-one projects will be underway this year.

Also, the Department of Transportation has effectively managed the projects and project scope given the actual revenue collections versus the original revenue projections.

The committee would like to express our appreciation to GDOT personnel for the professional manner and support they have provided the River Valley Region Panel. Through their efforts, we continue to realize the benefits of the Transportation Investment Act.

Yours sincerely,

Jermiah P. Carney
