

Project Sheet

Project Number: RC07-000153 **Project Name:** Windsor Spring Road, Phase IV from Tobacco Road to Willis Foreman Road

GDOT ID: 250610-

Project Description: Widen Windsor Spring Road from 2 to 4 lanes (includes bridge over Spirit Creek)

Regional Commission: Central Savannah River Area

County: Richmond County

Phase	Total Project Cost	Total TIA Amount	Comments (Please note all cost estimates are in 2011 dollars and actual costs for all phases at year of expenditure will be higher):
CST	\$25,029,564	\$4,000,000	This project is partially funded through TIA. The remaining project costs will be funded by other sources.
UTL	\$285,600	\$0	
Total	\$25,315,164	\$4,000,000	

Public Benefit	Notes
Maximizing the value of Georgia's Assets	This project could potentially maximize the full utility of an existing transportation facility(s). In some cases, bypasses will be necessary. Example benefits could be: mitigating congestion (e.g. operational improvements) and optimizing capital asset management (e.g. resurfacing, rehabilitation). The impacts would apply to this roadway segment, corridor, and/or intersection.
Ensuring Safety and Security	This project would benefit the public by potentially reducing the incidence of crashes along this roadway segment, corridor, and/or intersection.

Additional Benefits	This project would benefit the public by adding capacity and potentially relieve congestion and improve safety. The existing two lane facility will be widened to four travel lanes, two lanes in each direction. The existing two lane bridge over Spirit Creek will be widened to four lanes. A 19 foot wide raised median will separate traffic moving in opposite directions. Left and right turn lanes will be provided at major intersections which will improve traffic flow.
