Toombs County: Georgia DOT awards contract for new roundabout construction on SR 292/NW Broad Street at Oxley Drive in Lyons

LYONS, Georgia — The Georgia DOT awarded 22 contracts for new roadway and infrastructure construction in July 2022. Among those was a TIA-funded project in the Heart of Georgia Altamaha region:

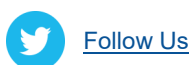

- Toombs County: this project would construct a single-lane roundabout at the intersection of SR 292/Northwest Broad Street and Oxley Drive in Lyons. The contract was awarded to McClendon Enterprises, Inc. of Vidalia for \$1.4 million. The project is expected to be completed by the end of summer, 2023.

For more information on this TIA project and others in the Heart of Georgia Altamaha region, visit: <http://www.ga-tia.com/Project/List/hoga>.

###

***The TIA Program:** In 2012, voters in three Georgia regions - River Valley, Central Savannah River Area and Heart of Georgia Altamaha - approved a 10-year one percent sales tax to fund regional and local transportation improvements. The Southern Georgia Region passed the legislation. In 2018, before the votes, regional roundtables of local elected officials, with significant public input, selected projects for each region's Approved Investment List. These lists represent 1,022 TIA projects valued at \$1.58 billion.*
