

**Georgia Department of Transportation and
To Hold
A Location and Design Public Information Open House
For P.I. No. 422470-
Crisp County**

On Thursday, November 16, 2017 at the Park Office of the Georgia Veterans Memorial State Park (GVMSP), 2459 US 280, Cordele, GA 31015, the Georgia Department of Transportation TIA Program will hold a Public Information Open House concerning the project listed above.

The proposed project would widen and reconstruct SR 30/US 280 from east of Lake Blackshear to the SR 300 Connector West of Cordele for an approximate project length of 7.5 miles. The project would consist of widening the existing two-lane roadway to four lanes (two 12-foot travel lanes in each direction), with a four-foot flush median. Right and left turn lanes will be provided as required. The existing pavement will be resurfaced and new lanes and shoulders will be added where necessary. Rural shoulders along SR 30/US 280 are proposed to be 10-foot wide with 4-foot paved shoulders. The shoulders will have roadside ditches.

The purpose of this Location and Public Information Open House is to provide the public with an opportunity to view the project, ask questions, and comment on the project.

The Open House will be held from 3:00 p.m. to 6:30 p.m. It will be informal, and the public is invited to attend anytime during these hours. There will be no formal presentation. A court reporter will be available to allow the public an opportunity to make verbal comments about the project.

Americans with Disabilities Act (ADA) Information:

The meeting site is accessible to persons with disabilities. Accommodations for people with disabilities can be arranged with advance notice by calling the GDOT Preconstruction Manager, Nona Guilford, at (404) 631-1193.

Written statements will be accepted concerning this project until Thursday, November 30, 2017. Comments may be submitted electronically to TIA by email tia@dot.ga.gov or written statements may be submitted to:
